- (i) Rajesh Kumar Daria V/s. Rajasthan Public Service Commission, - Civil Appeal Nos. 3132 of 2007, 3773 of 2007 decided on 18-07-2007.
 - (ii) Public Service Commission, Uttaranchal V/s. Mamta Bist & Others, - Civil Appeal Nos. 5987 of 2007, with Civil Appeal No.5982 of 2007 decided on 03-06-2010.
 - (iii) Union of India V/s. Ramesh Ram and Others - Civil Appeal Nos. 4310, 4311 of 2010 [arising out of SLP(C) Nos.13571-72 of 2008] decided on 07-05-2010.

3. In paragraph No,-5 of the Judgement delivered in the case of **Rajesh Kumar Daria V/s. Rajasthan Public Service Commission, (Dated:18-07-2007)**, the Hon'ble Supreme Court has laid down the following principles:

"Before Examining whether the reservation provision relating to Women, had been correctly applied, it will be advantageous to refer to the nature of horizontal reservation and the manner of its application, In Indra Sawhney V/s. Union of India (1992 SUPP.(3)SCC 217), the principle of horizontal reservation was explained thus (Pr,812):

"all reservations are not of the same nature. There are two types of reservation, which may, for the sake of convenience, be referred to as 'vertical reservations' and 'horizontal reservation'. The reservation in favour of Scheduled Castes, Scheduled Tribes and Other Backward Classes (under Article: 16(4) may be called vertical reservation, whereas reservations in favour of physically handicapped (under Clauses (1) of Article 16) can be referred to as horizontal reservations. Horizontal reservation cut across the vertical reservations - what is called interlocking reservations. To be more precise suppose 3% of the vacancies are reserved in favour of physically handicapped persons; this would be a reservation relatable to clause (1) of Article 16. The persons selected against the quota will be placed in that quota by making necessary adjustments; similarly, if he belongs to open competition (OC) category, he will be placed in that category by making necessary adjustments. Even after providing for these horizontal reservations, the percentage of reservation in favour of backward class of citizens remains - and should remain - the same.'

A special provision for women made under Article 15(3), in respect of employment, is a special reservation as contrasted from the social reservation under Article 16(4). The method of implementing special reservation, which is a horizontal reservation, cutting across vertical reservation, was explained by this Court in Anil Kumar Gupta V/s. State of U. P. (1995(5) SCC 173) thus:

"The proper and correct course is to first fill up the Open Competition quota (50%) On the basis of merit; then fill up each of the social reservation

quotas, i.e. S.C., S.T. and B.C.; the third step would be to find out how many candidates belonging to special reservation have been selected on the above basis. If the quota fixed for horizontal reservations is already satisfied - in case it is an overall horizontal reservation - no further question arises. But if it is not so satisfied, the requisite number of special reservation candidate shall have to be taken and adjusted / accommodated against their respective social reservation categories by deleting the corresponding number of candidates therefrom. (If, however, it is a case of compartmentalized horizontal reservation, then the process of verification and adjustment / accommodation as stated above should be applied separately to each of the vertical reservations. In such a case the reservation of 15% in favour of special categories, overall, may be satisfied or may not be satisfied.) {Emphasis supplied}"

4. In paragraph No,-13 of the Judgement dated: 03-06-2010 delivered in the case of **Public Service Commission, Uttaranchal Vis. Mamta Bist and Others**, the Hon'ble Supreme Court has laid down the following principles:

"13. The view taken by the High Court on application of horizontal reservation is contrary to the law laid down by this Court in Rajesh Kumar Daria V/s. Rajasthan Public Service Commission and others. AIR 2007 SC 3127, wherein dealing with a similar issue this Court held as under:

"9. The second relates to the difference between the nature of vertical reservation and horizontal reservation. Social reservations in favour of SC, ST and OBC under Article 16(4) are "vertical reservations". Special reservations in favour of physically handicapped, women, etc., under Articles 16(1) of 15(3) are "horizontal reservations". Where a vertical reservation is made in favour of a Backward Class under Article 16(4), the candidates belonging to such Backward Class may compete for non-reserved posts and if they are appointed to the non-reserved posts on their own merit, their number will not be counted against the quota reserved for respective Backward Class. Therefore, if the number of SC candidates, who by their own merit, get selected to open competition vacancies, equals or even exceeds the percentage of posts reserved for SC candidates, it cannot be said that the reservation quota for SCs has been filled. The entire reservation quota will be intact and available in addition to those selected under open competition category. (Vide Indra Sawhney, R.K. Sabharwal

V/s. State of Punjab, Union of India V/s. Virpal Singh Chauhan and Ritesh R. Sah V/s. Dr. Y.L. Yamul) But the aforesaid principle applicable to vertical (social) reservations will not apply to horizontal (special) reservations. Whereas special reservation for women is provided within the social reservation for Scheduled Castes, the proper procedure is first to fill up the quota for Scheduled Castes in order of merit and then find out the number of candidates among them who belong to the, special reservation group of "Scheduled Caste women". If the number of women in such list is equal to or more than the number of special reservation quota, then there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of Scheduled Caste women shall have to be taken by deleting the corresponding number of candidates from the bottom of the list relating to Scheduled Castes. To this extent Horizontal (special) reservation differs from vertical (social) reservation. Thus women selected on merit within the vertical reservation quota will be counted against the horizontal reservation for women." (Emphasis added)

5. The Hon'ble Supreme Court in the case of **Union of India V/s. Ramesh Ram and Others** delivered Judgement on 07-05-2010 (in C.A. No.431 0/4311 of 2010 arising out of SLP(C) No.13571-72 of 2008) wherein it has laid down the following principles in paragraphs No.-47 to 50 :

"47. The proviso to Rule 16(1) and Rule 16(2) operate in different dimensions and it is untenable to argue that these provisions are contradictory or inconsistent with each other. As mentioned earlier, in the examination for the year 2005- 32 reserved candidates (31 OBC candidates and 1 SC candidate) qualified as per the general qualifying standard [Rule 16(1)]. These MRC candidates did not avail of any of other concessions and relaxations in the eligibility criteria at any stage of examination, and further they secured enough marks to place them above the general qualifying standard MRC candidates are entitled to one of the two posts one depending on their performance in the General list and other depending on their position in the Reserved List. When MRC candidates are put in the General list on their own merit they do not automatically relinquish their reserved status. By the operation of Rule 16(2), the reserved status of an MRC candidate is protected so that his / her better performance does not deny such candidate the chance to be allotted to a

more preferred service. Where, however, an MRC is able to obtain his preferred post by virtue of his / her ranking in the General list, he / she is not counted as a Reserved Candidate and is certainly not counted amongst the respective reservation quota.

48. We must also remember that affirmative action measures should be scrutinized as per the standard of proportionality. This means that the criteria for any form of differential treatment should bear a rational correlation with a legitimate governmental objective. In this case a distinction has been made between Meritorious Reserved Category candidates and relatively lower ranked Reserved Category candidates. The amended Rule 16(2) only seeks to recognize the inter-se merit between these two classes' of candidates for the purpose of allocation to the various civil services with due regard for the preferences indicated by the candidates.

49. With regard to the specific characteristics of the UPSC Examinations we hold that Reserved Category candidates (belonging to OBC, SC or ST categories among others) who are selected on merit and placed in the list of general / unreserved category candidates can choose to migrate to the respective reserved categories at the time of allocation of services. Such migration is enabled by Rule 16(2) of the Civil Services Examination Rules, which is not inconsistent with Rule 16(1) of the same or even the content of Articles 14, 16(4) and 335 of the Constitution of India.

50. We sum up our answers:

- (i) MRC candidates who avail the benefit of Rule 16(2) and adjusted in the reserved category should be counted as part of the reserved pool for the purpose of computing the aggregate reservation quotas. The seats vacated by MRC candidates in the General Pool will be offered to General category candidates.*
- (ii) By operation of Rule 16(2), the reserved status of an MRC candidate is protected so that his / her better performance does not deny him of the chance to be allotted to a more preferred service.*
- (iii) The amended Rule 16(2) only seeks to recognize the inter se merit between two classes of candidates i.e.*

- a) *meritorious reserved category candidates,*
 - b) *relatively lower ranked reserve category candidates, for the purpose of allocation to the various Civil Services with due regard for the preferences indicated by them.*
- (iv) *The reserved category candidates, "belonging to OBC~ SC/ST categories" who are on merit and placed in the list of General / Unreserved category candidates can choose to migrate to the respective reserved category at the time of allocation of services. Such migration as envisaged by Rule 16(2) is not inconsistent with Rule 16(1) or Article: 14, 16(4) and 335 of the Constitution.*

6. In view of the above referred Judgments of the Hon'ble Supreme Court, the settled legal position appears to be that the women reservation is interlocutory within each category (SC / ST / SEBC / GENERAL) and the same is horizontal (Special) reservation, and not vertical (Social) reservation and that therefore, the women candidates selected as merit candidates will count towards women reservation quota for each category (i.e. SC / ST / SEBC / GENERAL). Under the circumstances, where a horizontal (Special) reservation is provided for women within each category SC / ST / SEBC / GENERAL, the proper procedure is first to fill up the quota for each category (SC / ST / SEBC / GENERAL) in order of merit and then find out the number of candidates among them who belong to the Special reservation group of " SC / ST / SEBC / GENERAL - Women". If the Women in such list are equal to or more than the number of special reservation quota, then in that case, there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of "SC / ST / SEBC / GENERAL - Women" shall have to be taken by deleting the corresponding number of candidates from the bottom of the list of SC / ST / SEBC / GENERAL candidates. To this extent, horizontal (Special) reservation differs from Vertical (Social) reservation. Thus, Women selected on merit within SC / ST / SEBC / GENERAL quota will be counted against the horizontal reservation for women. The same provision also made by the G.O.G. vide G.A.D. notification NO. GS/2012/12/CRR/1096/2213/G-2 Dated 14-06-2012.
7. As per the Apex Court's Judgement in Union of India V/s. Ramesh Ram and Others, decided on 07-05-2010, Meritorious Reserved Category Candidates (MRC), who have availed any of the benefits / relaxations available to a

Reserved Category Candidate, should be counted as part of the reserved pool for the purpose of computing the aggregate reservation quota. However, the MRC candidates who have not availed any of the benefits / relaxations available to a Reserved Category Candidate at any stage of the examination process will have to be considered as a Reserved Category Candidate, if he/she gets a more preferred service / post because of his /her being treated as a Reserved Category Candidate. In that eventuality, the reserved status of an MRC candidate is protected so that his / her better performance does not deny him the chance to be allotted to more preferred service. Accordingly, the MRC candidates are treated as RC candidates for the purpose of allotment of their preferred post.

8. It needs to be clarified that the result of the examination under reference given in the **ANNEXURE-I (Part-1)** (indicative merit list) has been prepared by strictly applying the ratio laid down by the Apex Court in the cases of (i) Public Service Commission, Uttaranchal V/s. Mamta Bist and Others – Civil Appeal Nos. 5987 of 2007, with Civil Appeal No. 5982 of 2007 decided on 03-06-2010 and (ii) Union of India V/s.
